Instructions

In California, the employer may choose the initial treating provider for the first 30 days unless the employee has requested treatment by his/her personal physician prior to the injury, or the employer has contracted with an approved Medical Provider Network (MPN). For assistance in locating a provider please contact our Medical Access Assistant line 855-857-7556.
If you have questions regarding the MPN or the accuracy of the current listing, please contact us at 877-533-7768 or email us at Western_Contracting@CorVel.com.
To reach the Medical Provider Network contact 800-966-5307.
To obtain a copy of any required Medical Provider Network employee notifications please send an email to CA-MPN_Verification@CorVel.com.
